

# Turning Times

The newsletter of the  
CASCADE WOODTURNERS ASSOCIATION

DECEMBER 2022 [CASCADEWOODTURNERS.ORG](http://CASCADEWOODTURNERS.ORG)

Our last meeting of 2022 was held in November. In keeping with the club's tradition, there will be no December meeting.

Our November meeting had three excellent demonstrators (**Phil Lapp, Rick Rich** and **Keven Jesequel**), our first-ever holiday raffle with lots of interesting member contributions (shown in the sidebars), as well as yummys to munch.

**Suzanne Jensen**, our outgoing President, came up with the ideas for the meeting, and the meeting went very well! Suzanne has done an amazing job for the club all year. Thank you Suz!

**Rick Rich** will do our first demo next year, on spindle turning. Rick is an amazing turner, a demonstrator for AAW and Northwest clubs, and author of articles for the *British Woodturning* magazine.

And **Dale Larson** is arranging a great slate of demonstrators for the rest of 2023!

At most meetings Cascade members have an opportunity to bring their work to show other members, and to discuss the techniques, challenges, sorrows and joys of making it. This and the next page have a random selection of items members brought to "show and tell" in 2022. You can see all the show and tell pics [here](#).

## MORE ABOUT CASCADE

Cascade Woodturners Association is an Oregon non-profit corporation that is qualified under Section 501(c)(3) of the Internal Revenue Code.

Most information about Cascade is available on its website, which is:

[CascadeWoodturners.org](http://CascadeWoodturners.org)

In 2023 Cascade expects to meet once a month, except December, at the Wild Lilac Child Development Center, which is located at 3829 SE 74<sup>th</sup> Avenue in Portland, Oregon. Most meetings are likely to be in-person, but also broadcast on Zoom.

Cascade supports its activities with member dues, which are \$35 a year. You can become a member of Cascade on our website by clicking [here](#). Members receive some benefits that are not available to the general public.

## OREGON WOODTURNING SYMPOSIUM

When – March 17-19, 2023

Where – Linn County Expo Center in Albany, Oregon (about 90 minutes south of Portland).

Cost – \$325

The planning for the 2023 Symposium is well underway. This biennial show was canceled in 2021 due to Covid, but it's back again with a fantastic list of demonstrators and vendors.

What it is:

The symposium includes five demonstration rooms, a large vendor area, an Instant Gallery, an auction, and a raffle. Each demo room has four demos on Friday and Saturday, and two on Sunday, so you will be able to see all the demonstrators. A dinner Saturday night is catered and will feature a raffle for a lot of great prizes donated by our vendors.

Albany is an easy drive from Portland, and the facility is well-suited for our event. Two hotels are on-site with reasonable rates.

Cascade will sponsor one of the demo rooms which means we are responsible for outfitting the room with a lathe, grinder, audio/video support, and other items needed by the demonstrator. As a result, Cascade will receive a stipend for that support. Each room has ten demo sessions over the 2 ½ days, and for each demonstration, we will need the support of an A/V operator and an assistant.

Why Attend:

This is a great opportunity to learn from the best. There is something for all, from beginners to advanced turners. Beginners will learn how to make the best cuts and advanced turners will see different ways to enhance your work to make it stand out.

You will also see the latest in woodturning equipment, tools, and jigs. Attending the symposium is your chance to be up close and personal with the demonstrators who are very open and easy to talk with. Plus, you will get to see old friends and

meet many of the best turners in the area.

What Is Needed:

Like our club, the symposium is put on by volunteers, and the symposium is a huge event. Volunteers will receive a symposium t-shirt, and the club will get a stipend depending on how the symposium finances work out.

#### For Cascade we need:

- Setup -Setup is on Thursday, so we need to transport all our equipment to Albany and get it set up.
- Demo Support – For each of the ten sessions, we provide the A/V support and supply a “helper” who makes sure the room is set up properly and the demonstrators have what they need.
- Tear-Down – The show ends Sunday at noon at which time we pack up and move our equipment back home.

**To volunteer to help with Cascade’s responsibilities at the symposium please contact Dale Larson, who is managing Cascade’s participation. You can reach Dale at [woodbowl@frontier.com](mailto:woodbowl@frontier.com).**

#### Symposium Support Volunteers are also needed:

- Raffle Tickets Sales (6 sessions)
- Instant Gallery Monitor (20 sessions)
- Registration Booth Support (21 sessions)
- Grand Prize Drawing Organizer
- Auction Support (10 sessions)
- Transportation – Driving demonstrators from and back to the airport

**To volunteer to support the symposium please also contact Dale at [woodbowl@frontier.com](mailto:woodbowl@frontier.com).**

#### Demonstrators

A few of the slated demonstrators have been here before and have commented about the quality of the event and the friendliness of the local clubs and their members. Signed up to date are Stuart Batty Cynthia Gibson, Eric Lofstrom, Keith Gotschall, Trent Bosch, Mike Mahoney, Stuart Mortimer, Nick Cook, Nick Agar, Rebecca DeGroot, and Sally Ault. These are all well-known professionals that are the best at what they do.

#### Vendors

The vendor list is still growing and currently includes D-Way Tools, Big Monk Lumber, Niles Bottle Stoppers, WoodturnerPRO Software, Woodturners Wonders, Trent Bosch, and Woodcraft (Eugene).
